Profile

Civil engineer and Senior Site Manager with 15 years on major projects in Australia, the UK, Romania, Slovakia and Turkmenistan, contractor and client side. I run work packages of A$40–60m and €40–51m with 200–500+ people on site, keeping cost, programme, quality and HSE on target. Ready to step up to Project Manager.

Education

Bachelor's degree in Civil Engineering — Technical University of Civil Engineering Bucharest, 2010

Experience
